

# Piastre per tartlet Cookmatic

## Tartlet plates for Cookmatic

Utilizzabili anche su Cookmatic Special - pag. 28

They can be use also with Cookmatic Special - pag. 28

La tua libertà creativa è garantita da un'ampia selezione di forme realizzabili. Cookmatic monta due piastre di cottura: una superiore e una inferiore. Scegli tra le coppie di piastre disponibili - realizzate in materiale antiaderente - a seconda del tipo di tartelletta che desideri e cambiale in libertà con pochi semplici gesti.

A wide selection of possible shapes guarantees your creative freedom. Cookmatic is provided with two cooking plates: an upper and a lower. All are made of non-stick material. Choose from the pairs of plates available for the type of tartlet you want. You can change them out whenever you want in just a few simple steps.

Peso piastra - Plate weight kg 11 (variabile a seconda della piastra - variable depending on the plate)
