 Dimensions L: 24'-48" W: 21'-24" H: 15'-74" | cm L: 765 W: 664 H: 492

 Safety Zone 46'-2.4"R | cm 1407R

 Fall Height 12'-8" | 400 cm

 Accessible

### Motor Development

Hand-eye coordination - Developing coordination and precision in activities requiring fine motor skills.

### Cognitive Development

Regulation of force- Developing the ability to apply the right amount of force according to the activity.

### Physical Development

Balancing- Improving balance and posture. Swinging - Strengthening core muscles and enhancing the sense of movement. Spinning - Improving balance and vestibular functions through carousels.

### Emotional Development

Independence- Developing independence and the ability to make personal decisions. Patience- Practicing patience and waiting for one's turn.

## Steel

Steel structure that is strong and durable, oven-painted galvanized and coated with lead-free polyester powder for corrosion and rust resistance. The steel meets strict EN 1176 standards, ensuring high quality and safety. The steel is anti-vandalistic, requires minimal maintenance, and is fully recyclable. The high-quality paint ensures weather resistance and maintains a new appearance over time.

## Rope Cables

Rope Cables are made of synthetic polypropylene (PP) fibers combined with a galvanized steel core for improved strength and durability. They meet strict standards such as MATI 1498/1497, ASTM A240, and EN 10088, ensuring durability and safety for use in playground equipment. The cables offer a soft and pleasant touch that does not harm the hands during use and are available in various diameters and colors, allowing for creative and aesthetic design.

## Spinning Top

The spinning top offers an exciting and challenging spinning experience that develops players' motor skills and balance. Playing with the spinning top encourages movement, coordination, and self-confidence.

## Connectors

The connectors in our play structures are designed to securely and safely join parts of the structure. They are made of durable and high-quality materials, ensuring long-term durability without wear.
