Accessible

Carousel playset for spinning while seated. Suitable for movement and spinning games. Playing in Vortex helps develop posture and balance.

### Cognitive Development

Concentration- Developing the ability to focus and maintain attention in equipment requiring concentration. Spatial awareness- Improving the ability to understand and navigate space through mazes and courses.. Regulation of force- Developing the ability to apply the right amount of force according to the activity.

### Emotional Development

Courage- Facing fears and new challenges. Confidence- Building self-confidence and belief in one's personal abilities. Independence- Developing independence and the ability to make personal decisions.

### Physical Development

Balancing- Improving balance and posture. Spinning - Improving balance and vestibular functions through carousels.

### Seat

A seat that provides a small resting station during play where players can sit and rest. Suitable for short breaks or extended stays. Playing on the seat allows players to take a break from physical activity while maintaining connection with the environment and continuing social interactions.

### Rosta Bearing

A special bearing that allows for smooth movement and fun in the structure.
