

Internal Hexagon Prosthetic Options

NOT FOR USE IN THE USA AND CANADA

Products may not be available in some regulated markets. Please contact your local Dentsply Sirona sales office for current product assortment and availability.

The MIS Quality System complies with international quality standard ISO 13485: 2016 - Quality Management System for Medical Devices, with Medical Device Directive 93/42/EEC, and with EU Medical Device Regulation MDR 2017/745. Please note, that not all products are registered or available in every country/region.

IFUs for MIS products may be found at: <https://ifu.mis-implants.com>. Adobe Acrobat is required to view the IFU file on the website. This software may be freely downloaded from the Adobe website.
