This dual-slope climbing ramp is part of the Psagot Playgrounds dog equipment series. Part of the Psagot Playgrounds dog equipment series, it features a high ramp designed for both training and play. Made with a powder-coated steel frame and a premium pinewood ramp, it offers a smooth finish with non-toxic paint and carefully sanded wood to avoid splinters.

Robinia Wood

European Robinia wood is natural, robust, and durable, particularly suitable for use in outdoor playground equipment. It complies with stringent standards such as FSC, has a smooth and pleasant touch, a natural and authentic appearance, and integrates well with natural surroundings. Its high durability, long lifespan, and being a natural and safe material make it a popular choice for use in playground equipment.
