The mushroom bells are bass bells. Each mushroom produces a different note due to varying diameters. Each mushroom has its own gong connected to its base. This instrument is intuitive and simple to play, complementing the musical garden with its colors and sounds.

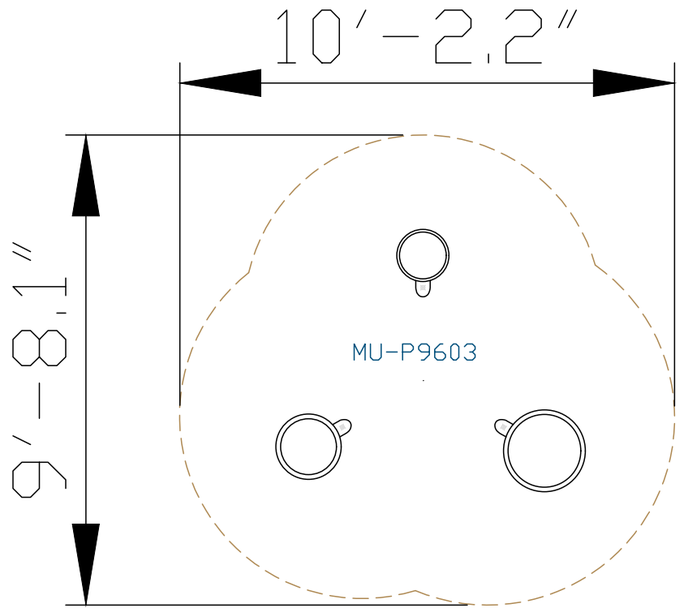

Steel

Steel structure that is strong and durable, oven-painted galvanized and coated with lead-free polyester powder for corrosion and rust resistance. The steel meets strict EN 1176 standards, ensuring high quality and safety. The steel is anti-vandalistic, requires minimal maintenance, and is fully recyclable. The high-quality paint ensures weather resistance and maintains a new appearance over time.
