Gong

Gong musical equipment

Steel:

Ages 2-12 | Users 6 | Dimensions L: 87" W: 16" H: 71" | cm L: 220 W: 40 H: 180 | Safety Zone 10'-5.7"/3'-10.1" | cm 318 / 117 | Accessible+

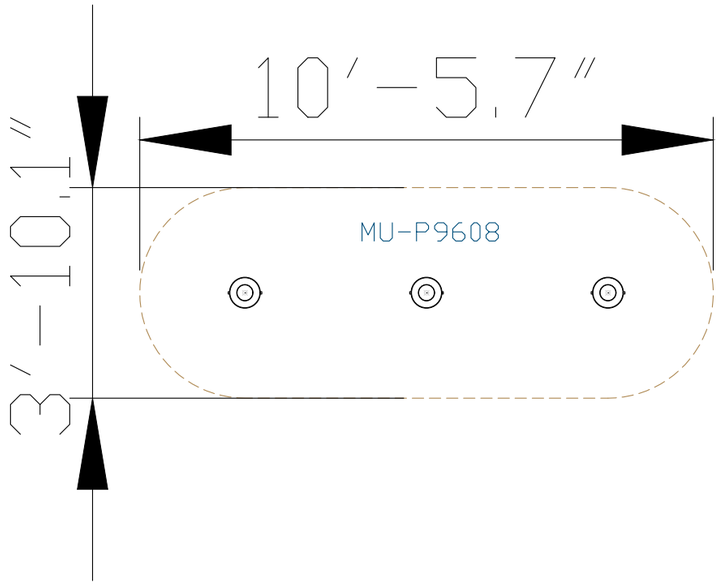

A large gong. Hit each gong with bare hands to produce different notes. Together, the gongs form a rich harmonic chord. The instrument is modular and can be installed in different shapes, according to notes, chords, and scales.

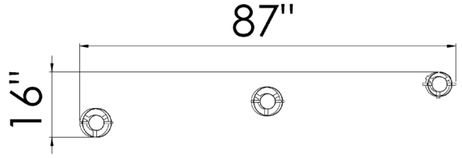

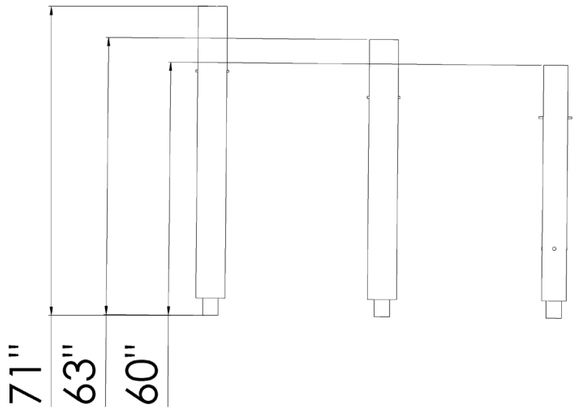

Steel

Steel structure that is strong and durable, oven-painted galvanized and coated with lead-free polyester powder for corrosion and rust resistance. The steel meets strict EN 1176 standards, ensuring high quality and safety. The steel is anti-vandalistic, requires minimal maintenance, and is fully recyclable. The high-quality paint ensures weather resistance and maintains a new appearance over time.

Motor Development

Hand-eye coordination - Developing coordination and precision in activities requiring fine motor skills.

Cognitive Development

Concentration- Developing the ability to focus and maintain attention in equipment requiring concentration. Curiosity - Encouraging exploration and discovery through equipment providing new and unfamiliar experiences. Creativity- Developing creative thinking and imagination in open and interactive play.

Emotional Development

Imagination- Encouraging imagination and creating play worlds. Independence- Developing independence and the ability to make personal decisions. Initiative- Encouraging initiative and taking an active role in play. Perseverance- Encouraging perseverance and repeated attempts.

Sensory Development

Touch development- Diverse sensory experiences through different materials and textures. Hearing development- Stimulating the sense of hearing through the integration of sounds and music.
