Musical Flower

Musical Flower musical equipment

Recycled HDPE:

Steel:

Ages 2-12

Users 2

Dimensions L: 46'' W: 41'' H: 30'' | L: 103 W: 115.9 H: 77 cm

Safety Zone: 6'-10.1'' / 6'-7.9''

Accessible+

In the Musical Flower, sound is visually represented. Each color produces a different note, and together, they create a beautiful harmony. The sound plates produce a powerful resonance due to their round shape. The round sound plates match the shape of the sound wave, vibrating strongly at the edge, resulting in a clear and pure sound.

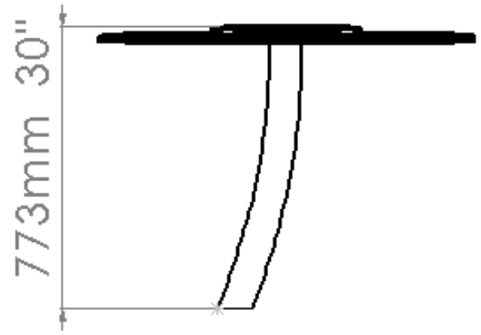

Recycled HDPE

HDPE (High-Density Polyethylene) is a recycled material made from high-density polyethylene, produced from recycled materials that allows for further recycling. It excels in resistance to UV rays and wear and tear, making it particularly suitable for use in outdoor playground equipment. Its touch is smooth and pleasant, and its appearance is maintained over time. The advantages include high resistance to harsh weather conditions and environmental preservation. The material is capable of absorbing high energy, which helps prevent fractures.

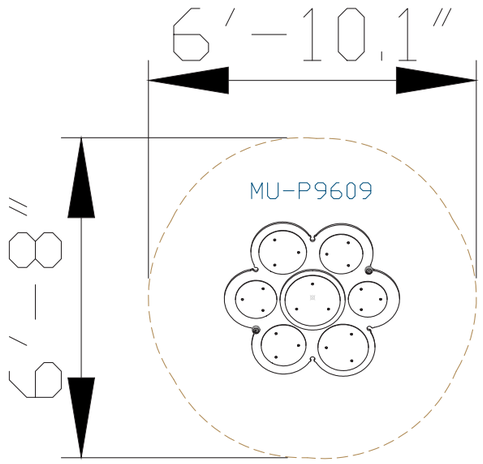

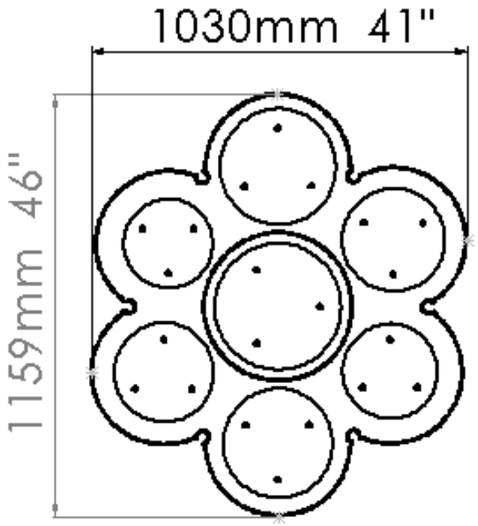

Steel

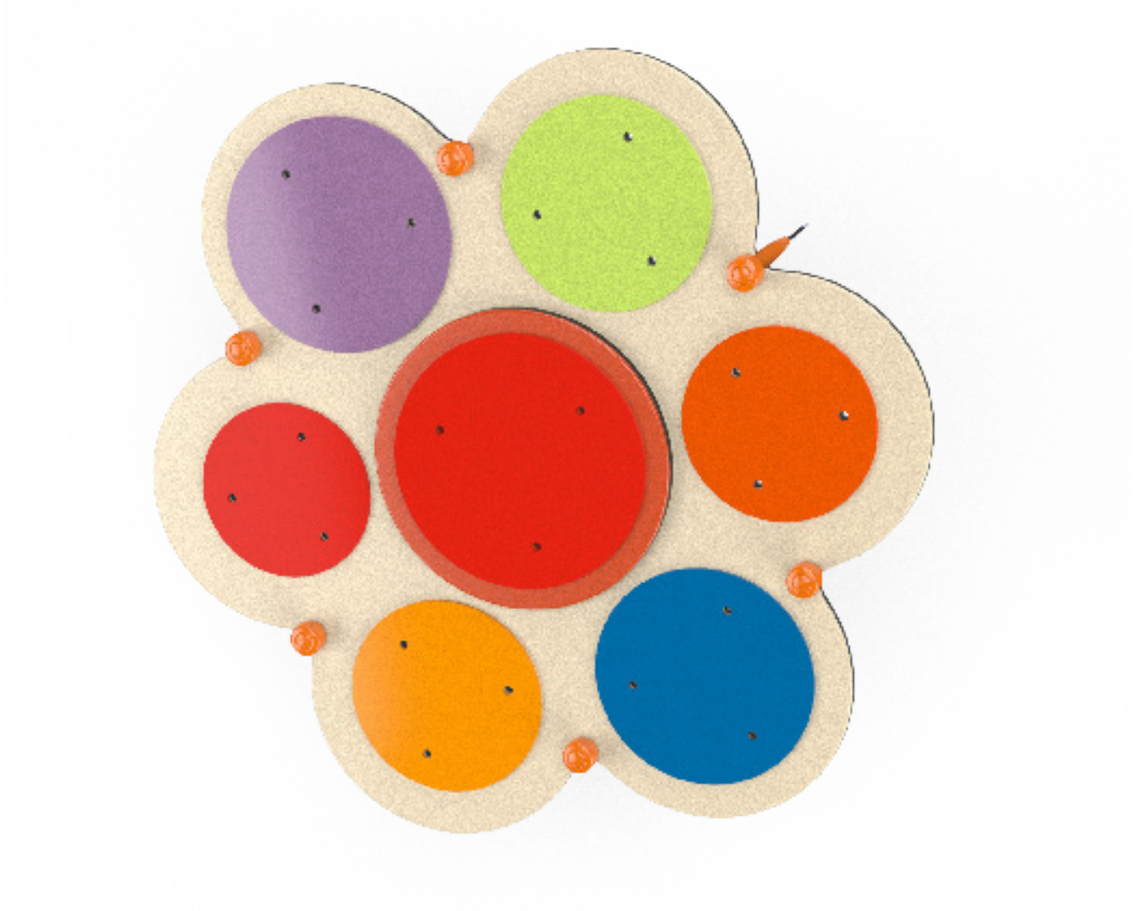

Steel structure that is strong and durable, oven-painted galvanized and coated with lead-free polyester powder for corrosion and rust resistance. The steel meets strict EN 1176 standards, ensuring high quality and safety. The steel is anti-vandalistic, requires minimal maintenance, and is fully recyclable. The high-quality paint ensures weather resistance and maintains a new appearance over time.

Motor Development

Hand-eye coordination - Developing coordination and precision in activities requiring fine motor skills.

Cognitive Development

Concentration- Developing the ability to focus and maintain attention in equipment requiring concentration. Curiosity - Encouraging exploration and discovery through equipment providing new and unfamiliar experiences. Creativity- Developing creative thinking and imagination in open and interactive play.

Emotional Development

Imagination- Encouraging imagination and creating play worlds. Independence- Developing independence and the ability to make personal decisions. Initiative- Encouraging initiative and taking an active role in play. Perseverance- Encouraging perseverance and repeated attempts.

Sensory Development

Touch development- Diverse sensory experiences through different materials and textures. Hearing development- Stimulating the sense of hearing through the integration of sounds and music.
