Ages 5-12

Users 1

Dimensions L: 3'-2.8" W: 0'-7.2" H: 2'-7.5" | L: 100 W: 22 H: 84 cm

Safety Zone: 14'-10.1" / 13'-1.3" | 452 / 400 cm

Fall Height 1'-6.4" | 50 cm

Accessible

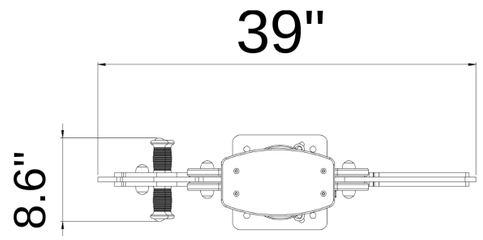

The Parrot Spring Rider is a colorful, cheerful spring-mounted play element that brings joy and movement to the play area. Children can sit comfortably, hold onto the handles, and enjoy a rhythmic rocking motion that supports the development of balance and coordination.

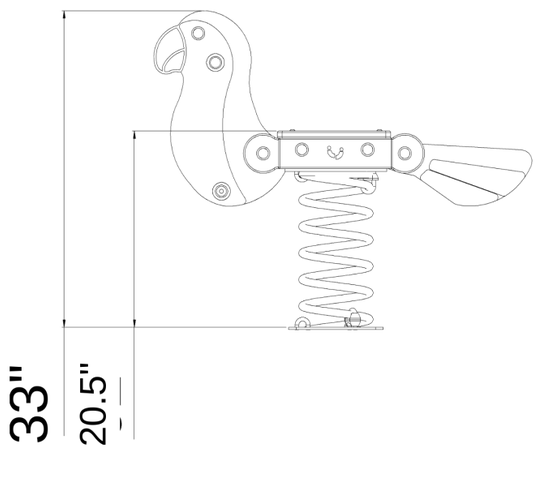

Its friendly, vibrant design captures attention and encourages imaginative play, while the durable spring mechanism ensures a smooth and safe movement experience.

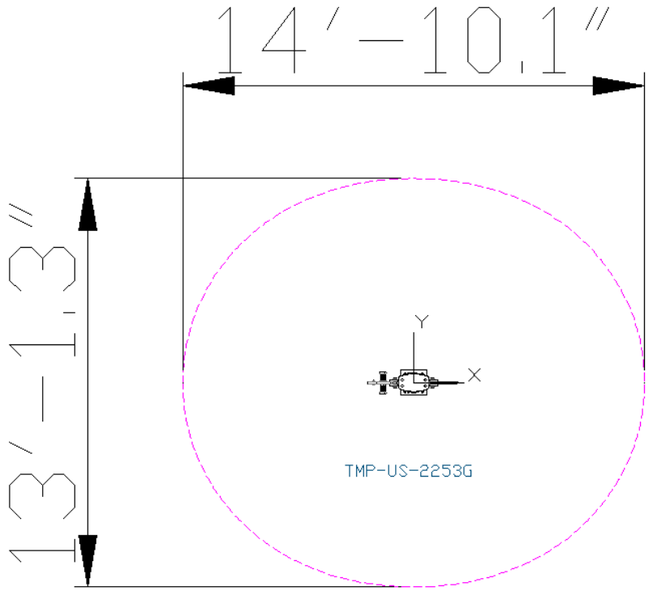

Recycled HDPE

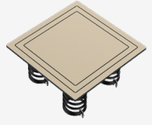

HDPE (High-Density Polyethylene) is a recycled material made from high-density polyethylene, produced from recycled materials that allows for further recycling. It excels in resistance to UV rays and wear and tear, making it particularly suitable for use in outdoor playground equipment. Its touch is smooth and pleasant, and its appearance is maintained over time. The advantages include high resistance to harsh weather conditions and environmental preservation. The material is capable of absorbing high energy, which helps prevent fractures.

Springy Mat

The springy mat encourages players to jump and move. Playing on the springy mat develops players' strength, coordination, and balance.

Seat

A seat that provides a small resting station during play where players can sit and rest. Suitable for short breaks or extended stays. Playing on the seat allows players to take a break from physical activity while maintaining connection with the environment and continuing social interactions.

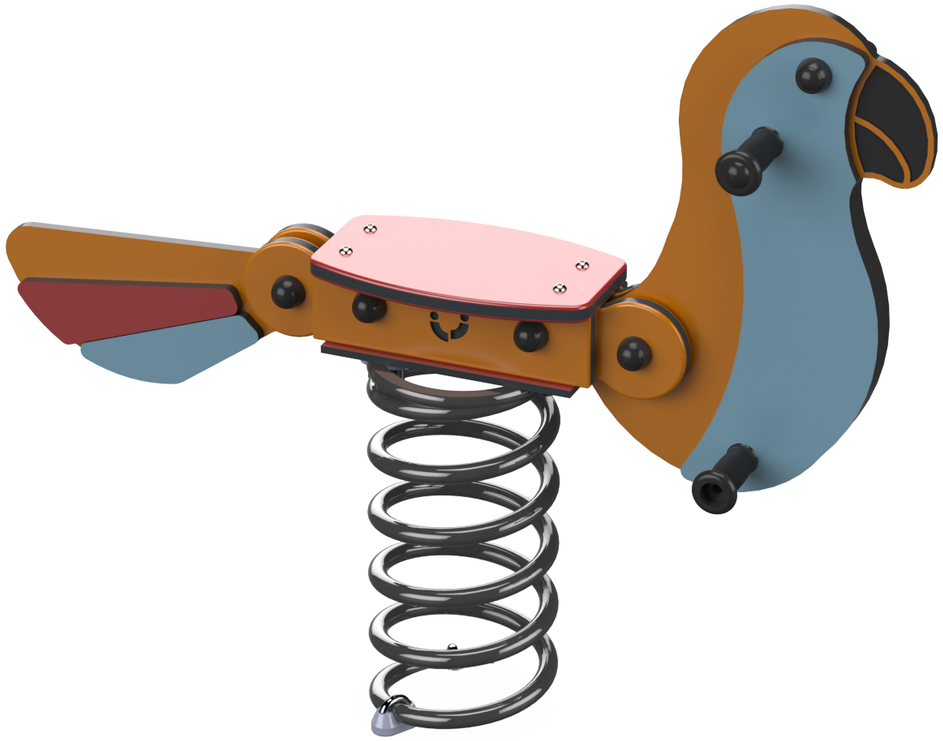

Hand and Foot Holds

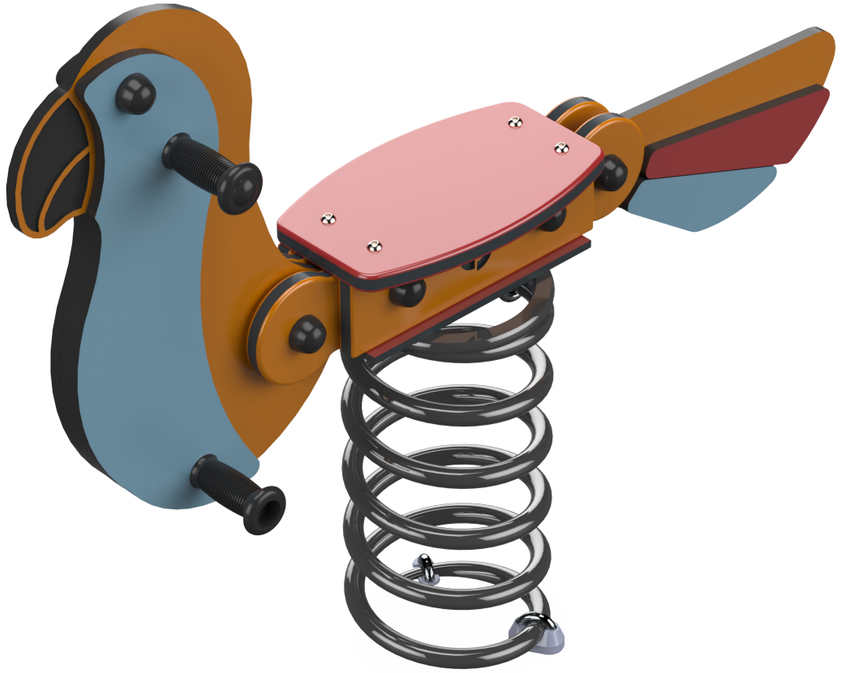

Hand and foot holds provide support during play and use of the structure. Players develop their strength and coordination while maintaining stability and security.

Springs

The springs are made of high-quality, durable materials, designed safely without pinching or entrapments. They allow for movement and rocking games, developing motor skills, spatial awareness, and a sense of balance.

Motor Development

Hand-eye coordination - Developing coordination and precision in activities requiring fine motor skills. Foot-eye coordination - Improving coordination and balance through various equipment.

Sensory Development

Touch development - Diverse sensory experiences through different materials and textures. Vision development - Rich visual experiences through vibrant colors and shapes.

Emotional Development

Courage - Facing fears and new challenges. Confidence - Building self-confidence and belief in one's personal abilities. Independence - Developing independence and the ability to make personal decisions. Patience - Practicing patience and waiting for one's turn.

Social Development

Respect for boundaries - Learning the importance of respecting personal and social boundaries. Friendship creation - Creating friendships and strengthening social bonds.

Physical Development

Jumping - Improving leg strength and balance. Balancing - Improving balance and posture. Swinging - Strengthening core muscles and enhancing the sense of movement.
