Ages all

Users 12

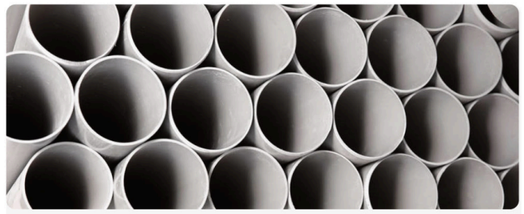

Dimensions L: 112" W: 120" H: 122" | L: 287 W: 305 H: 310 cm

Safety Zone: 21'-3.8" / 22'-0.5" | 649 / 671 cm

Accessible

This thoughtfully designed seating corner offers a moment of calm and relaxation at the heart of the play area. The structure invites both parents and children to sit together, rest, and connect, providing a peaceful pause between active play experiences.

Inspired by a hot-air balloon, the design continues the visual language of the play series, featuring rounded openings and star-pattern details that create a soft, imaginative atmosphere. The seating area blends naturally into the playground environment, adding a shaded, comfortable, and welcoming space for rest, conversation, and observation.

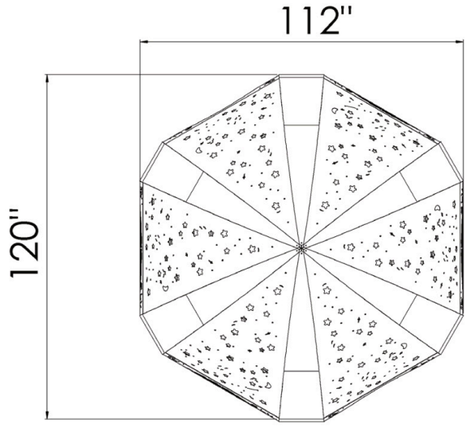

Steel

Steel structure that is strong and durable, oven-painted galvanized and coated with lead-free polyester powder for corrosion and rust resistance. It meets strict playground equipment standards such as ASTM A240 and EN 10088, ensuring high quality and safety. The steel is anti-vandalistic, requires minimal maintenance, and is fully recyclable. The high-quality paint ensures weather resistance and maintains a new appearance over time.

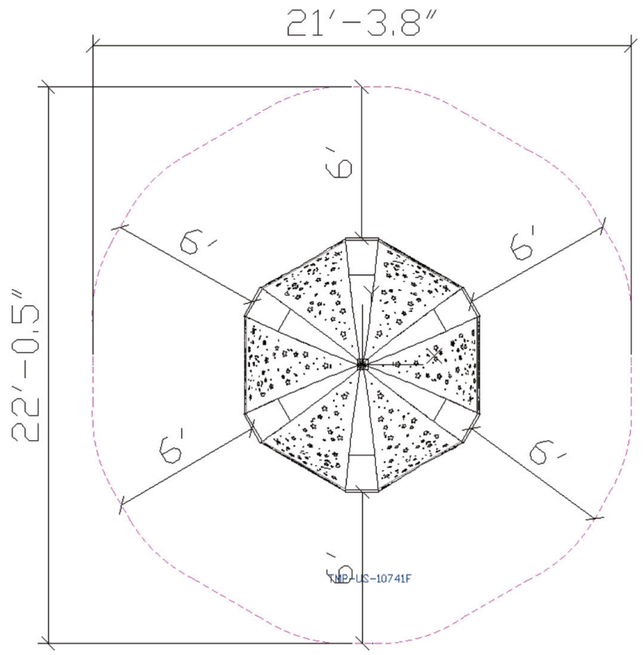

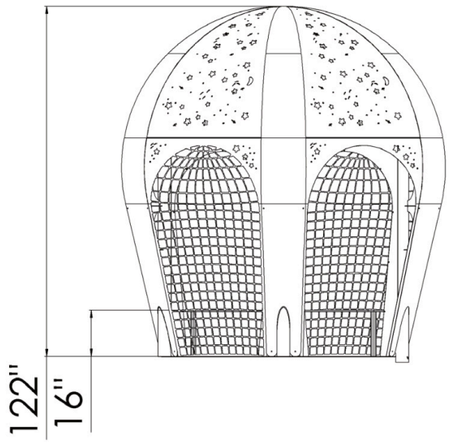

HPL

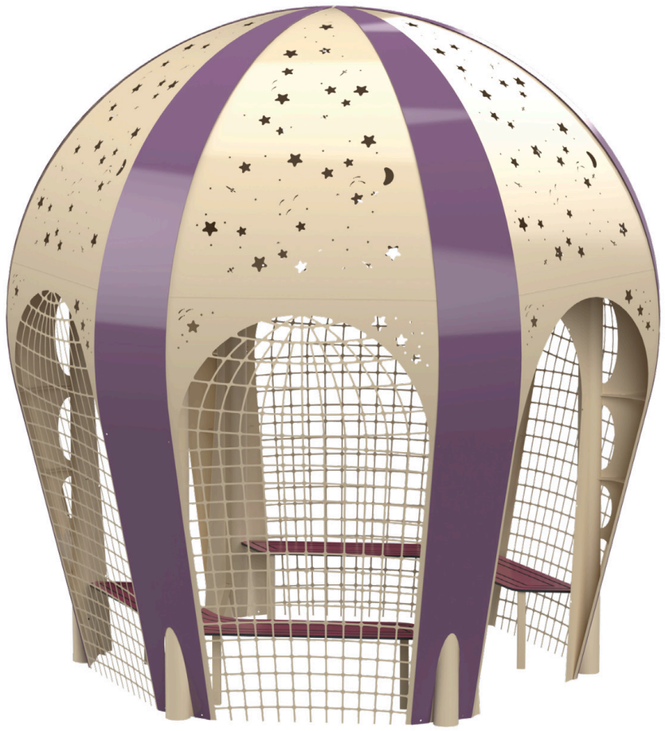

HPL panels are high-pressure laminate boards produced by saturating multiple layers of kraft paper with phenolic resin. These panels offer high resistance to abrasion, scratches, and chemical impacts, maintaining their quality in both outdoor and indoor conditions. Available in a variety of colors and textures, HPL panels are used for surfaces, walls, and furniture in playground equipment, providing an aesthetic appearance and requiring low maintenance.

Cognitive Development

Concentration - Developing the ability to focus and maintain attention in equipment requiring concentration. Curiosity - Encouraging exploration and discovery through equipment providing new and unfamiliar experiences.

Emotional Development

Imagination - Encouraging imagination and creating play worlds. Courage - Facing fears and new challenges.

Social Development

Respect for boundaries - Learning the importance of respecting personal and social boundaries. Friendship creation - Creating friendships and strengthening social bonds.
