Combo Model Fredo

:Robinia Wood

Climbing

Ages 2-12

Users 8

Dimensions L: 130" W: 59" H: 156" | L: 340 W: 150 H: 330 cm

Safety Zone: 22'-10.3" / 16'-11.5" | 697 / 517 cm

Fall Height 20" / 50.8 cm

Accessible

This toddler play structure, crafted from natural robinia wood, is designed as a small and welcoming playhouse, offering a short and enjoyable play route for early childhood development. It encourages movement, exploration, and imaginative play within a safe and age-appropriate environment.

Children move through a gentle sequence of play zones that include interactive panels, a small seating bench, a musical element, and sound tubes that allow communication and listening from one side to the other. Together, these features create a rich sensory experience that promotes curiosity, communication, and shared play.

The structure is made from high-quality, durable robinia wood, specifically designed for long-term outdoor use. Its warm, natural aesthetic blends seamlessly into garden environments, creating a calm, inviting, and highly engaging play corner for toddlers.

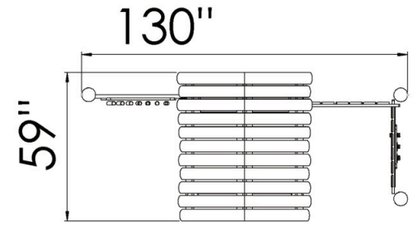

Robinia Wood

European Robinia wood is natural, robust, and durable, particularly suitable for use in outdoor playground equipment. It complies with stringent standards such as FSC, has a smooth and pleasant touch, a natural and authentic appearance, and integrates well with natural surroundings. Its high durability, long lifespan, and being a natural and safe material make it a popular choice for use in playground equipment.

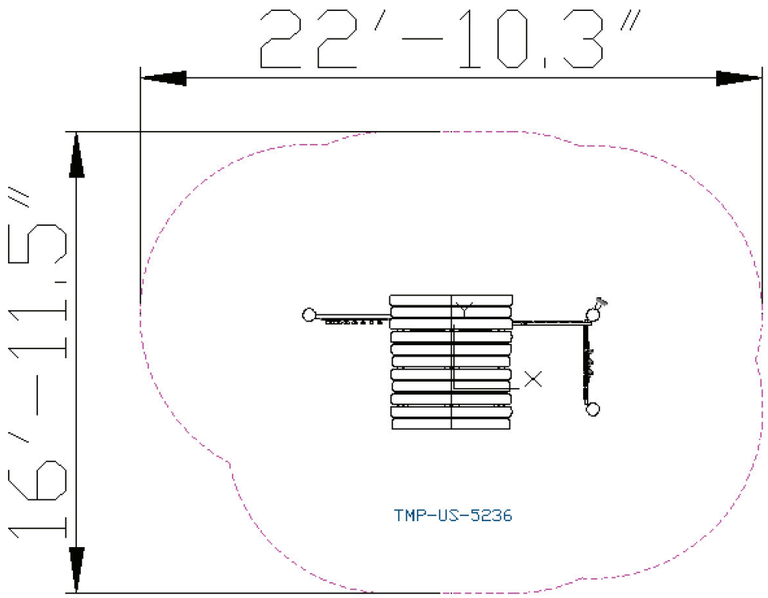

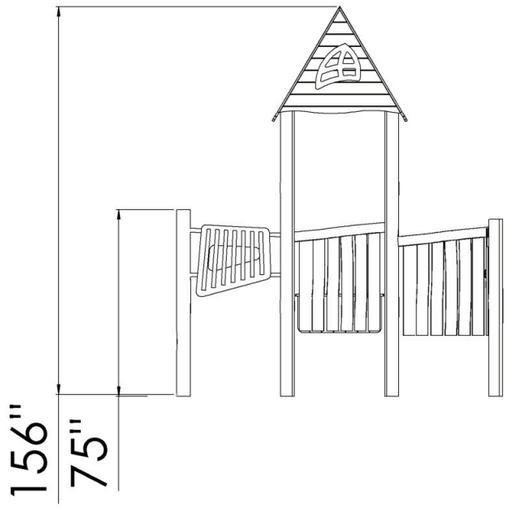

Stainless Steel 316

Stainless Steel 316 is an alloy of iron, chromium, nickel, and molybdenum, providing exceptional resistance to corrosion, rust, and stains. It meets strict playground equipment standards such as ASTM A240 and EN 10088, offering a smooth touch and shiny appearance. Particularly suitable for use in coastal and humid areas, and industrial and urban environments. Even in these challenging areas, Stainless Steel 316 maintains a clean and shiny appearance over time.

Game

The game allows players to explore and engage in various activities, enhancing their creativity, imagination, and cognitive skills. It encourages players to play togethe

Musical Panel

The musical panel stimulates the sense of hearing and encourages players to create and play sounds and melodies. Playing with the panel develops players' creativity, rhythm, and coordination.

Play Panel

The play panel provides a variety of interactive play options that develop players' motor and cognitive skills. Each panel offers a unique activity that stimulates thinking and encourages players to learn and discover more.

Motor Development

Hand-eye coordination - Developing coordination and precision in activities requiring fine motor skills. Foot-eye coordination - Improving coordination and balance through various equipment. Core muscle strengthening - Strengthening abdominal and back muscles through challenging equipment.

Sensory Development

Touch development - Diverse sensory experiences through different materials and textures. Vision development - Rich visual experiences through vibrant colors and shapes.

Cognitive Development

Concentration - Developing the ability to focus and maintain attention in equipment requiring concentration. Regulation of force - Developing the ability to apply the right amount of force according to the activity. Curiosity - Encouraging exploration and discovery through equipment providing new and unfamiliar experiences.

Emotional Development

Imagination - Encouraging imagination and creating play worlds. Courage - Facing fears and new challenges. Confidence - Building self-confidence and belief in one's personal abilities. Independence - Developing independence and the ability to make personal decisions. Resilience - Coping with failure and trying again. Achievement - Developing a sense of accomplishment and satisfaction from success in challenging equipment.

Social Development

Cooperation - Encouraging joint work and reaching shared goals. Communication - Developing effective and clear communication skills with playmates. Respect for boundaries - Learning the importance of respecting personal and social boundaries. Friendship creation - Creating friendships and strengthening social bonds.

Physical Development

Climbing - Strengthening arm and leg muscles, developing fitness and endurance.
