TSP-2526

Modular Plastic Track - 1 Segment

Modular Stepping Pods Course - One Pod

Balancing

Rotation

Climbing

Ages 2-12

Users 1

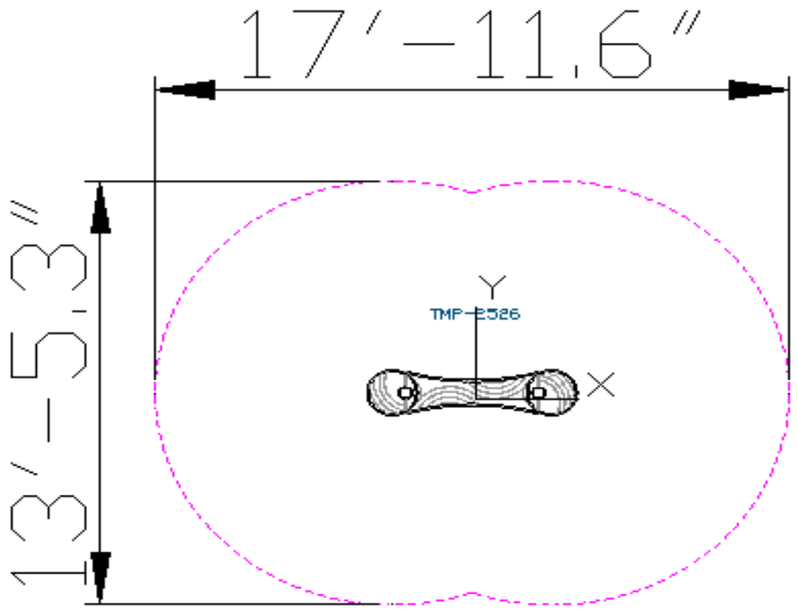

Dimensions L: 72" W: 17" H: 59" | L: 182 W: 44 H: 150 cm

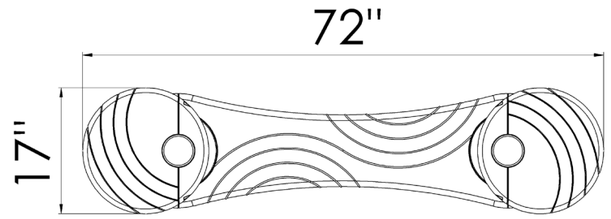

Safety Zone: 17'-11.6" / 13'-5.3" | 548 / 410 cm

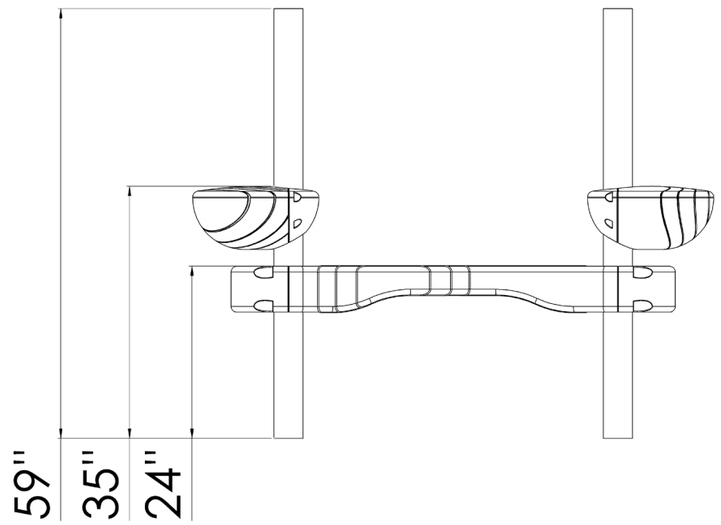

Fall Height 2'-1.3" | 65 cm

This standalone traversal element encourages children to step up, stabilize themselves, and move forward with care, while developing balance and movement control. It provides a focused and engaging micro-challenge that supports coordination and body awareness.

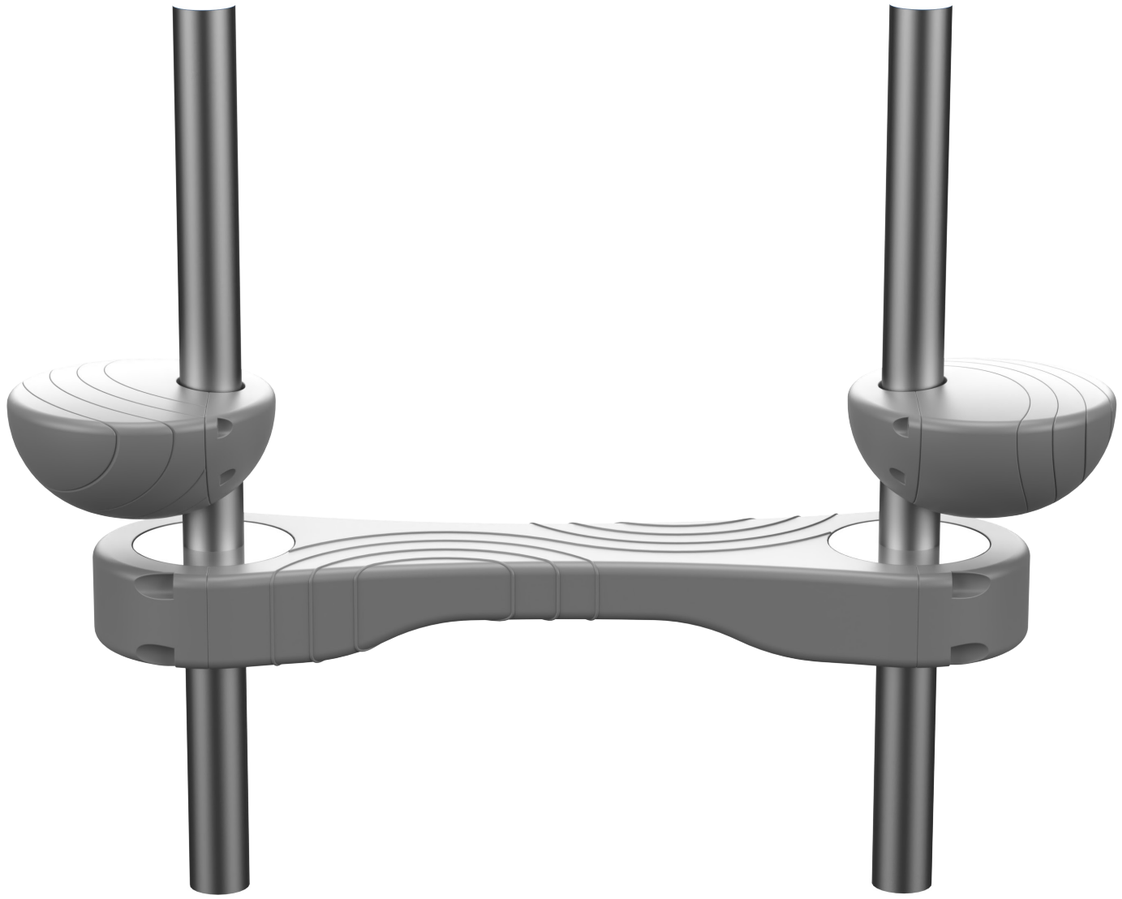

The element can be integrated as part of a larger modular traversal course or used independently within a play area to create a short and enjoyable movement challenge.

Motor Development

Hand-eye coordination - Developing coordination and precision in activities requiring fine motor skills. Foot-eye coordination - Improving coordination and balance through various equipment.

Sensory Development

Touch development - Diverse sensory experiences through different materials and textures. Vision development - Rich visual experiences through vibrant colors and shapes.

Cognitive Development

Concentration - Developing the ability to focus and maintain attention in equipment requiring concentration. Spatial awareness - Improving the ability to understand and navigate space through mazes and courses. Regulation of force - Developing the ability to apply the right amount of force according to the activity. Curiosity - Encouraging exploration and discovery through equipment providing new and unfamiliar experiences. Creativity - Developing creative thinking and imagination in open and interactive play. Exposure to diverse material - Learning about different materials and textures.

Emotional Development

Courage - Facing fears and new challenges. Confidence - Building self-confidence and belief in one's personal abilities. Independence - Developing independence and the ability to make personal decisions. Patience - Practicing patience and waiting for one's turn. Initiative - Encouraging initiative and taking an active role in play. Inclusion - Developing the ability to understand and accept differences and complexities. Resilience - Coping with failure and trying again. Perseverance - Encouraging perseverance and repeated attempts. Achievement - Developing a sense of accomplishment and satisfaction from success in challenging equipment.

Social Development

Cooperation - Encouraging joint work and reaching shared goals. Communication - Developing effective and clear communication skills with playmates. Respect for boundaries - Learning the importance of respecting personal and social boundaries. Friendship creation - Creating friendships and strengthening social bonds.

Physical Development

Climbing - Strengthening arm and leg muscles, developing fitness and endurance. Balancing - Improving balance and posture. Spinning - Improving balance and vestibular functions through carousels.
