TSP-2526H

Modular Plastic Track - Hexa-gon

Modular Stepping Pods Course - Hexagon

Balancing

Rotation

Climbing

Ages 2-12

Users 6

Dimensions L: 106" W: 94" H: 42" | L: 270 W: 239 H: 108 cm

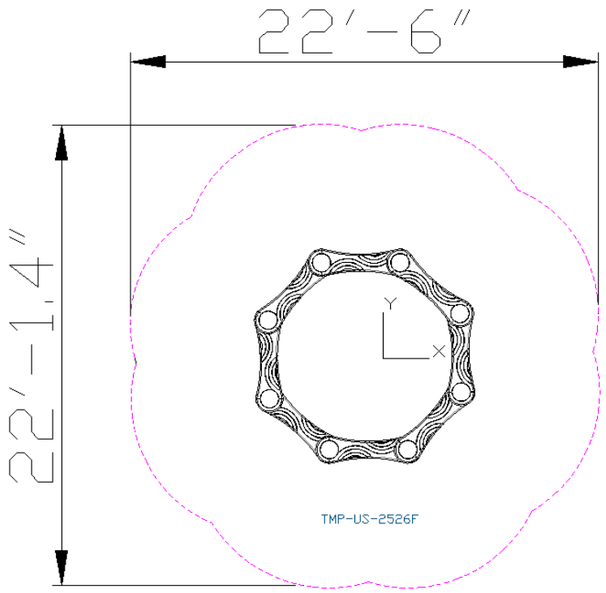

Safety Zone: 22'-6" / 22'-1.4" | 686 / 674 cm

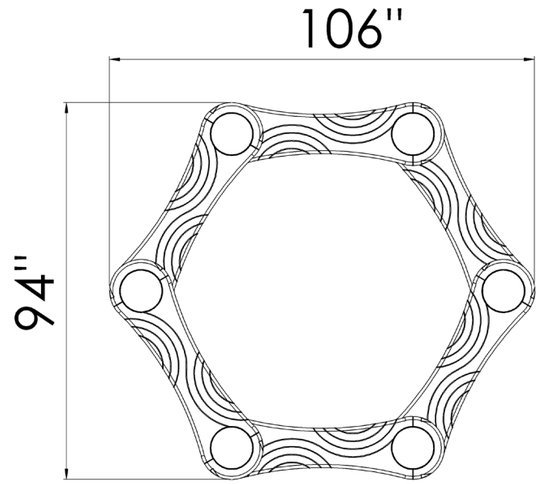

Fall Height 1'-9.6" | 60 cm

This structure is composed of a series of interconnected stepping modules that form a dynamic and engaging movement path. Children progress from one module to the next, practicing balance, movement control, and coordination through active play.

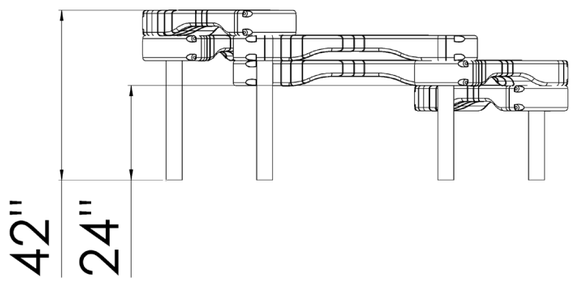

The modular design allows for a wide variety of configurations and difficulty levels, depending on the number of elements and their arrangement. This flexibility makes it possible to adapt the structure to different age groups and site requirements, creating a changing and versatile play experience.

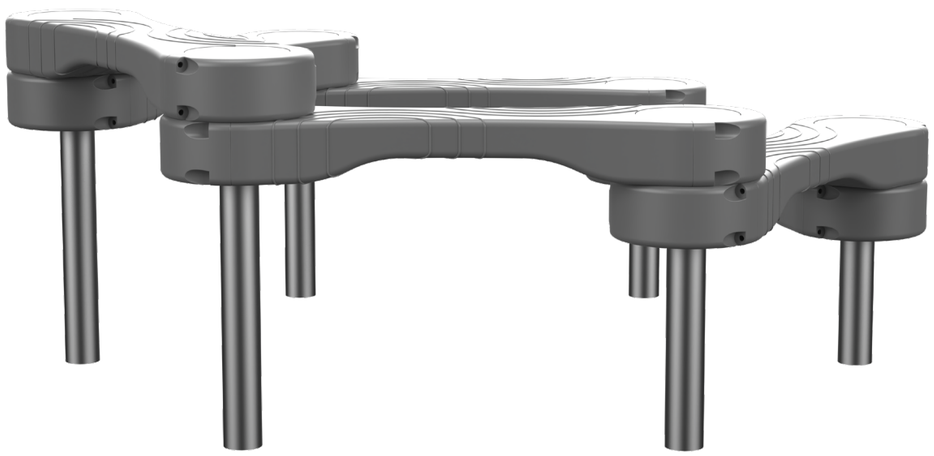

The course encourages movement, builds self-confidence, and supports physical exploration. It integrates seamlessly into playgrounds, schoolyards, and activity spaces, offering an accessible and engaging way to develop motor skills through play

Motor Development

Hand-eye coordination - Developing coordination and precision in activities requiring fine motor skills. Foot-eye coordination - Improving coordination and balance through various equipment.

Sensory Development

Touch development - Diverse sensory experiences through different materials and textures. Vision development - Rich visual experiences through vibrant colors and shapes.

Cognitive Development

Concentration - Developing the ability to focus and maintain attention in equipment requiring concentration. Spatial awareness - Improving the ability to understand and navigate space through mazes and courses. Regulation of force - Developing the ability to apply the right amount of force according to the activity. Curiosity - Encouraging exploration and discovery through equipment providing new and unfamiliar experiences. Creativity - Developing creative thinking and imagination in open and interactive play. Exposure to diverse material - Learning about different materials and textures.

Emotional Development

Courage - Facing fears and new challenges. Confidence - Building self-confidence and belief in one's personal abilities. Independence - Developing independence and the ability to make personal decisions. Patience - Practicing patience and waiting for one's turn. Initiative - Encouraging initiative and taking an active role in play. Inclusion - Developing the ability to understand and accept differences and complexities. Resilience - Coping with failure and trying again. Perseverance - Encouraging perseverance and repeated attempts. Achievement - Developing a sense of accomplishment and satisfaction from success in challenging equipment.

Social Development

Cooperation - Encouraging joint work and reaching shared goals. Communication - Developing effective and clear communication skills with playmates. Respect for boundaries - Learning the importance of respecting personal and social boundaries. Friendship creation - Creating friendships and strengthening social bonds.

Physical Development

Climbing - Strengthening arm and leg muscles, developing fitness and endurance. Balancing - Improving balance and posture. Spinning - Improving balance and vestibular functions through carousels.
